

September 2024 Webinar - Figuring Out Formulas

12/04/2024 1:12 pm CST

Overview

Learn how to make Price and Quantity calculations easy with serviceminder Formulas. Formulas simplify the pricing process in many ways!

- **Save Time and Energy** - automatically calculate a customized price based on an element of the job (i.e., number of windows or property square footage)
 - **Accuracy** - ensure the price is calculated consistently
 - **Easy Updating** - Make small changes to formulas to adjust your rates in an instant
